Instructions to Reviewers:

All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a security order recommendation.

The attached copy of the application, any copies made therefrom and this form must be returned to the TO once a recommendation not to impose secrecy has been made or a security order has been rescinded.

Instructions for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from the filing date unless the application becomes the subject of a security order.

The Department of Defense (DoD) is required by law to protect the security of the United States by ensuring that the information contained in this application is not disclosed to unauthorized persons. This information is classified as "Secret" and is controlled under DoD Directive 5200.101. The information contained in this application is the property of the DoD and is not to be released to the public or other personnel without proper authorization. The information contained in this application is to be used only for the purpose of the review and is not to be used for any other purpose. The information contained in this application is to be destroyed when it is no longer needed for the review.
